

Beyond Fossil Fuels: Grounding for Action

Engaging our faith communities in courageous,
creative public action toward a sustainable future

Join Christians and others of good will who are saying no to increased fossil fuel extraction and export, and yes to a sustainable future! As a Grounding for Action group, we will be in active discernment about how we grow as leaders and answer our calls to active resistance.

**Relationship building. Spiritual Grounding. Discussion. Discernment.
Decision-making. Singing. Evaluation. Sending.**
